

IMMIGRANT SOCIAL SERVICES, INC.

AFTERSCHOOL 2018-2019

Working in partnership with four local public schools, ISS provides children with opportunities to learn new skills ranging from technology and math, to reading and art. Our attentive and experienced staff serve as role models and work to inspire the next generation of leaders and thinkers.

- Program certified and operated under School Aged Child Care license through NYC Department of Health and Mental Hygiene
- Daily homework help for all students
- English Language Arts (ELA) and Mathematics exam preparatory classes aligned with NYS Common Core Standards
- Arts and Crafts lessons
- STEM (Science, Technology, Engineering, Mathematics) based activities, including First LEGO League and LEGO Jr.
- Structured recreational activities
- Bilingual and culturally competent staff
